A Transportation Service of the Town of Acton

Rail Shuttle Monthly Pass Parking Tags

The Town of Acton is pleased to offer monthly pass parking and shuttle transportation at the West Acton Fire Station and Mt. Calvary parking lots.

- Monthly parking/shuttle passes can be purchased directly from the shuttle driver.
- Cost for a day pass is $40.00.
- Check www.minutevan.com for the most updated Rail Shuttle Schedule.
- Arrive at the West Acton off-site parking lot or Mt. Calvary Church parking lot and park in one of the yellow lined spaces, purchase a hangtag from the driver.
- Each month's tag is a different color.
- Tear off the stub and put the hanging portion of the tag on your rearview mirror with printed side facing out so that the officer patrolling the lot will know you have a valid pass for the current month.
- Hop on the bus and fill out the remaining part of the parking tag and give it to the driver.
- Please arrive at the parking lot with enough time to purchase the pass and put it on your rearview mirror.
- The driver will only be able to either cash or check in the exact amount and is not able to take coins or make change.
- Parking at the West Acton and Mt. Calvary lots are limited therefore only a specific number of Monthly Passes will be available on a first-come first-served basis.
- Passes are sold only for the current month and the next month.
